

## **Y11 ART – SPRING 2 SELF STUDY – FOLLOW UP TASKS**

This half term you will need to work on **individual self-study tasks** depending on your progress through your Art exam unit of work.

The most productive thing you can do is **speak to your teacher** about what you should work on and/or **respond to written or verbal feedback** given to you in lessons.

You can also be independent and **refer to your time plan/check list (A3 sheet)** and see which tasks you have yet to tick off or need to spend more time completing for your self-study. If in doubt, ask your teacher!
