Section B

Answer **all** the questions in this section.

You completed an apprenticeship last year which involved you working and qualifying as a hairdresser. As you have always wanted to run your own business, you have decided to become a franchisee of a mobile hairdressing brand, Supreme Salons. You think this is the best way to be successful in such a highly competitive market.

As a mobile hairdresser, you will visit your customers at home to cut, style and colour their hair. Your target market will be young families with children, who may not have the time to visit a hairdressing salon.

You will need to purchase a car, using money that you saved whilst working as an apprentice.

17 (a) State and explain **one** advantage and **one** disadvantage of using your own savings to purchase a car.
