

# Year 7 Art Self-Study – Summer 2

## Totem Pole 3D Sculptures

DUE BY THE END OF SUMMER TERM –  
HAND IN ON ANY DAY OF THE WEEK 😊

- ❖ You can choose which **materials/media** you use to make and **decorate** your sculpture.  
*In the past students have used mainly cardboard tubes (kitchen roll is a good size), wood, plastic, clay, paper, etc.*
- ❖ You may use **reference photos** found online to **inspire you** but your work must be **your own creation/idea**.
- ❖ Height restriction – preferably **no larger than 30cm tall** please due to storage and display limitations.
- ❖ You can of course **discuss your idea** with your **Art teacher** to check if it is suitable.

Where  
can you  
see past  
examples  
of these  
on display  
in school?
