

Year 7 Art Self Study 1

Autumn Term Project: Colour Theory

Pre-Learning Task: find out the meanings of the keywords in the table below. For challenge, you can also complete some **visual examples** using colouring pencils preferably. *You can print out this sheet and fill it in or complete your research on paper, making sure you present your work neatly.*

Top Tip: when you search the keywords on Google, you should also use the search words 'art' or 'colour theory' to make sure you are on the right track.

Keywords	Meaning	Visual Example (<i>show what it looks like</i>)
Primary Colours		
Secondary Colours		
Tertiary Colours		
Harmonious Colours		
Complementary Colours		
Tints and Shades		
Monochromatic
