Statement of intent

Howden School believes that to facilitate teaching and learning, good attendance is essential.

Students cannot achieve their full potential if they do not regularly attend school. 'Attend to Achieve'.

We understand that barriers to attendance are sometimes complex, and that some students may find it harder than others to attend school; therefore, we will continue to prioritise cultivating a safe and supportive environment at school, as well as strong and trusting relationships with students and parents. We take a whole school approach to securing good attendance and recognise the impact that our efforts in other areas – such as the curriculum, behaviour standards, bullying, SEND support, pastoral support, and the effective use of resources such as student premium – can have on improving student attendance

We are committed to:

- Promoting and modelling good attendance.
- Ensuring equality and fairness for all.
- Intervening early and working with other agencies to ensure the health and safety of our students.
- Rewarding regular attendance.

Ensuring parents follow the framework set in section 7 of the education Act 1996 which states that: 'The parent of every child of compulsory age shall cause him/her to receive efficient full-time education suitable, to age, ability and aptitude and to any special educational needs he/she may have either by regular attendance at school or otherwise'.

- Ensuring our attendance policy is clear and easily understood by all staff, parents, and students.

- Regularly monitoring and analysing attendance and absence data to identify students or cohorts who may require more support.

A home visit will be conducted when we have concerns regarding absence or the student has not been in school for a number of days. This is a supportive measure designed to safeguard all students.

- Ascertain the reason for the absence.
- Ensure that proper safeguarding action is being taken.

- Where a student has not returned to school for 10 days after an authorised absence or is absent from the school without authorisation for 20 consecutive school days, the school will remove the student from the admission register if the school and the LA have failed to establish the whereabouts of the child after making reasonable enquiries.

Absence of vulnerable young people

The Designated Safeguarding Lead will ensure that an accurate list of more vulnerable students is identified and held by the Attendance and Welfare Officer; this might include those known to the Safeguarding and Social Care.
