

**Year 11 Self Study HT2. SELF STUDY IS EVERY WEEK AS LITTLE AND OFTEN HAS BEEN PROVEN TO BE MORE EFFECTIVE IN MFL**

In MFL vocab learning is crucial for listening and reading, but also for manipulating language for speaking and writing. **Ideally pupils will do a little each day rather than the 20 000 on one day.** This is the best way to ensure retention of vocabulary. Pupils are not limited to 20 000, this is a minimum and rewards for the highest scorers will be given.

**Pupils in year 11 should also be using their self study time to memorise model answers from their speaking booklet and ensuring that they understand the questions. All French learners have a green A5 booklet. All Spanish learners have a yellow A5 booklet.**
