

Year 10 Self Study HT5: SELF STUDY IS EVERY WEEK AS LITTLE AND OFTEN HAS BEEN PROVEN TO BE MORE EFFECTIVE IN MFL

In MFL vocab learning is crucial for listening and reading, but also for manipulating language for speaking and writing. **Ideally pupils will do a little each day rather than the 20 000 on one day.** This is the best way to ensure retention of vocabulary. Pupils are not limited to 20 000, this is a minimum and rewards for the highest scorers will be given. **Remember to do at LEAST one LEARN VOCAB every time you log on – you need to be covering MORE vocabulary as your exams are not far away.**
