Additional Information

MFL – Homework is short but set with higher frequency, this reflect the best evidence for MFL which indicate regular revision and recall task aid progress.

Art – Art projects follow up the curriculum content

History – History homework is often pre-learning and support learning taking place in class

Science and Geography – Homework is often set via Seneca [Seneca - Learn 2x Faster \(senecalearning.com\)](https://www.senecalearning.com)-link here
