23 June 2020

Dear Parents/Carers and Students,

Howden School are officially participating in this year's **East Riding School Games Active Championships**. The School Games Active Championships is a fun, engaging national activity campaign for kids across the UK to get active utilising the cutting edge video-based platform powered by **TopYa!**, the School Games Active Championships is meant to be a new way to engage today's kids, who are always using digital platforms on mobiles, tablets and computers, and transforming their time spent on-screen into time spent physically active.

Primary and Secondary aged children can join the School Games Active Championships at any time with **FREE** active challenges being set via videos within a special version of the TopYa! Active App. Children of all ages can practice the challenge, then submit their best performance video using their mobile device to receive **FREE** personal coaching feedback from our team of experienced virtual coaches, earning points for each video submitted, climbing leaderboards and winning prizes! All pupils in Key Stage 3 are encouraged to participate in order to gain points towards our school total and an individual Howden School leaderboard will be visible on the app.

We hope you agree that this a fantastic opportunity to become more active during these challenging times and that you will use the information below to join in. The attached booklet includes all of the information that you may need as well as help on joining the app as a parent or student.

HOWDEN SCHOOL UNIQUE REFERENCE CODE: 24343

Good luck!

Howden School PE Department
