Dear Parents / Carers

Tutor Day – Tuesday 2 March

On Tuesday 2 March we will be holding a tutor day before all students return to school where they will have a group tutor session but also have an opportunity to speak to their tutor individually about how they have managed during this lockdown and any concerns or support they will need moving forward.

Tutor time will be 9 – 9.30 am and students will be able to access this via Teams. They will then be invited to individual Teams meetings which, for safeguarding reasons, will also be monitored. It is important that students attend both the tutor session and the individual support meeting.

House Activities

There will be a number of House Activities that can be completed on the day, which includes completing this checklist of things to do throughout the day:

1. Healthy Breakfast
2. 3 things you are grateful for
3. Fresh air
4. Hydrate
5. Read a book / magazine for 20 minutes
6. Leave screens for 30 minutes

More detail will be sent out through Teams by the Heads of Houses

Blended Learning Survey

Following the Parent/Carer survey on blended learning, it was suggested we also gain the perspective of students, so we would appreciate them using this time to complete the following survey:

Hub Students

No new work or live lessons will be set on this day and so if your child attends the hub, please consider if they will be able to participate in the tutor day without being on site. I ask that you contact reception and let them know of your intentions no later than Monday at Midday.

Yours sincerely,

Mrs S Issatt
