Remote Learning During the Coronavirus (COVID-19) Pandemic

In line with the recent government announcement, the school will be closed throughout the duration of the present national lockdown, which is currently expected to last until mid-February, to all but vulnerable pupils and the children of critical workers. The school has implemented provision for remote learning to ensure pupils never miss out on education during this troubling time. We will ensure that our curriculum is inclusive and accessible to all and will endeavour to support all of our pupils and staff as they learn and work from home. This policy annex outlines additional measures that will be implemented for delivering remote learning during the pandemic.

1. Legal framework

1.1 This policy has due regard to all relevant legislation, statutory and good practice guidance including, but not limited to, the following:

- DfE (2020) 'Contingency framework: education and childcare settings (excluding universities)'

1.2 The headteacher, in collaboration with the governing board, will ensure the school follows the legal obligations regarding remote education, as outlined in The Coronavirus Act 2020 Provision of Remote Education (England) Temporary Continuity Direction. This includes:

- Providing remote education to all pupils of compulsory school age.
- Providing remote education where it would be unlawful, or contrary to guidance issued from public authorities, for a pupil to travel to or attend the school.
- Having regard to government guidance issued regarding the delivery of remote education, e.g. the DfE's 'Restricting attendance during the national lockdown: schools'.

2. Contingency planning

- 2.1 The school will work closely with TCAT and the LA to ensure the premises is COVID-secure and will complete all necessary risk assessments – results of the full opening risk assessment will be published on the school's website.
- 2.2 The school will work closely with the local health protection team (HPT) and the DfE when the 'Contingency framework' applies and implement the provisions set within the Coronavirus (COVID-19): Contingency Plan.
- 2.3 The school will communicate its contingency plans to parents, including to which pupils it will remain open under the DfE's contingency framework and which pupils will receive remote education.
- 2.4 The school will ensure that remote learning training is regularly refreshed for teachers, and that appropriate trouble-shooting support is available when needed, so the transition from in-person to remote teaching can be as seamless as possible if required.
- 2.5 If the contingency framework is not applied, but a 'bubble' needs to self-isolate, the school will immediately implement remote learning for that group as required.

3. Teaching and learning

- 3.1 The school will ensure staff and pupils follow the school's Online Safety Policy when working and learning remotely.
- 3.2 The school will ensure that remote education is available for pupils immediately, i.e. the next school day after they are sent home to self-isolate or after the contingency framework is applied.
- 3.3 All pupils will have access to high-quality education when learning remotely.
- 3.4 The school will prioritise factors that have been found to increase the effectiveness of remote education. These include, but are not limited to:
 - Ensuring pupils receive clear explanations.
 - Supporting growth in confidence with new material through scaffolded practice.
 - Application of new knowledge or skills.
 - Enabling pupils to receive feedback on how to progress. A combination of live lessons and independent study tasks, that will be supported by the teacher via the chat facility on Microsoft Teams or the Feedback on Assignments.
- 3.5 In line with DfE's '[Restricting attendance during the national lockdown: schools](#)', the school will:
 - Teach a planned and well-sequenced curriculum so that knowledge and skills are built incrementally, with a good level of clarity about what is intended to be taught and practised in each subject so that pupils can progress through the school's curriculum.

- Use one digital platform (Microsoft Teams) for remote education provision that will be used consistently across the school in order to allow interaction, assessment and feedback.
- Work to overcome barriers to digital access for by:
 - Distributing school-owned laptops accompanied by a user agreement or contract.
 - Providing printed resources, e.g. textbooks, paper resources, to structure learning, supplemented with other forms of communication to keep pupils on track or answer questions about work.
- Ensure staff are adequately trained and confident in its use.
- Check whether pupils are engaging with their work, and work with families to identify effective solutions where engagement is a concern.
- Ensure that there is a senior leader with overarching responsibility for the quality and delivery of remote education, including that provision meets expectation for remote education
- Publish information for pupils, parents and carers about remote education provision on their website by 25 January 2021.

3.6 Teachers will ensure that a portion of their lessons are designed to promote interactivity amongst pupils and between pupils and staff, e.g. live lessons or use of the 'chat' function on meeting software, to lessen feelings of isolation and to promote pupil progress and motivation.

3.7 Teachers will ensure lessons are inclusive for all pupils and can be adapted to account for the needs of disadvantaged pupils and pupils with SEND.

3.8 When teaching pupils who are working remotely, teachers will:

- Set assignments so that pupils have meaningful and ambitious work each day in an appropriate range of subjects.
- Set work that is of equivalent length to the core teaching pupils would receive in school and, as a minimum, five hours a day, with support for pupils working towards formal qualifications this year.
- Provide frequent, clear explanations of new content through high-quality curriculum resources, including through educational videos.
- Provide opportunities for interactivity, including questioning, eliciting and reflective discussion.
- Provide scaffolded practice and opportunities to apply new knowledge.
- Enable pupils to receive timely and frequent feedback on how to progress using digitally facilitated or whole-class feedback, where appropriate.
- Use assessment to ensure teaching is responsive to pupils' needs and addresses any critical gaps in pupils' knowledge.
- Avoid an over-reliance on long-term projects or internet research activities.
- Adjust the pace or difficulty of what is being taught in response to questions or assessments, including, where necessary, revising material or simplifying explanations to ensure pupils' understanding.

- 3.9 All provisions for remote learning will be subject to the class group's age, ability and/or any SEND.
- 3.10 In exceptional circumstances, the school may reduce its curriculum offering to enable pupils to cope with the workload – the headteacher will assess this need, keeping pupils' best interests in mind, and will not take the decision lightly.
- 3.11 Teachers will continue to make use of formative assessments throughout the academic year, e.g. quizzes.
- 3.12 The school recognises that certain subjects are more difficult to teach remotely, e.g. music, sciences and physical education. Teachers will provide effective substitutes for in-person teaching such as video demonstrations.
- 3.13 Pupils will be encouraged to take regular physical exercise to maintain fitness, and time will be allocated within the school week for pupils to focus on this.

4. Access to technology

- 4.1 The school will remain cognisant of families who do not have access to the resources required for remote education, and will ensure that an up-to-date record of which pupils do not have appropriate devices or internet access is maintained.
- 4.2 The school will utilise the support available through the DfE's 'Get help with technology during coronavirus (COVID-19)' scheme.
- 4.3 Under the scheme, the school can order laptops, tablets and 4G wireless routers to support the following groups of pupils if they do not have access to a digital device or the internet through other means:
- Pupils in Years 3 to 11
 - Clinically extremely vulnerable pupils across all year groups who are shielding or self-isolating in line with government advice
 - Pupils in all year groups who are unable to access remote education whilst attending school on a hospital site
