

KEY ASSESSED PIECES - Mock Exam Timetable 2021

In previous years we have simply called this document the “Mock exam timetable”. This year the government has advised schools to collect evidence of student performance throughout the year. This is part of the governments contingency planning, we are to gather and collate evidence which “could” be used to generate students grades in the summer of 2022 if exams cannot go ahead as planned. Therefore it is important that everyone understands that these exams have the potential to be very important!
